S-TREND® Customised Online Stores

To set up and host an online store for you with no extra costs when ordering from S-Trend, our standard service aims to provide clients with a paperless online ordering system in accordance with S-Trend's Sustainability policy.

S-Trend offers two online store options, both with a management platform after sign in for checking order history, managing existing styles, placing repeat orders and tracking order developments. Note:

1. Restricted Online Stores without retail prices is for client manager use only.
2. Unrestricted Online Stores with retail pricing is open to the public ready for individual ordering and paying online.

Unlike other online stores selling off-the-shelf sportswear, our Online Stores are fully customized exclusively for the individual client to make ordering easier and quicker, with no MRQ and delivery internationally within 4 weeks. We have been consistently carrying our above commitments thanks to our wholly own and managed manufacturing facilities and partnership with DHL.

Please browse our customised online stores by selecting your club name and sign in.

We encourage you explore this customised online store concept further as it may provide you new business opportunities. Regardless whether you are a salesperson or designer or manager of a club and sports uniform shop, we can embed the customised online store into your existing website.

Want to have your own online store? Want to add more styles or make your existing online store open to public? Please [contact us](#) and we will make it happen.
