Camberwell Lacrosse Marketplace

The Lacrosse Marketplace concept is intended to help new and existing players to access equipment at affordable prices. All the sellers who participate price their goods to cover costs, not make profit. This enables us to share shipping costs and make the most of seasonal discounts that are identified from US retailers.

The gear is intended for Camberwell Lacross Club members. Lacrosse players from other clubs may access the items by paying for a marketplace membership at \$50.

Purchasing?

Contact the seller to arrange a time to view the equipment and for payment. This can be by cash or EFT.

MILL on Monday evenings at Ashburton Recreation Centre is a generally convenient time to meet and to have a look at something you may be interested in.

Contact details

Rob Pagliaro	rpagliaro@icloud.com
Ben Richards	ben@austsports.com.au
Ross Melville	ross@noelmelville.com.au

For STrend orders, go to the STrend website via the link on our website www.clclax.org.au/merchandise. Enter an order and make payment. Make sure you include your name - this will not be printed on the clothing but is used to distribute via the club.

For playing tops, STrend will verify the number with the club. Please make sure you have an approved number.

Have equipment to sell?

new:

Contact Rob to have equipment you have purchased added to the list. Please note that the club will not purchase equipment, we will help by advertising and connecting you to buyers.

second hand:

Determine a price, add \$10 for club handling and then get the equipment to Rob. It will be added to the list. Once sold, you will be paid the proceeds
