

Photo Release Waiver Policy

The club's policy on the use of photos of its members or any photos it receives and publishes is the following.

- *Photos are to be published without individual player's names, only team name or age grade is to be mentioned.*
- *Where possible avoid the use of photo's that clearly show a player's face when there is grounds that publication is against the interests of the individual.*
- *To not allow the publication or on use of original material to a third party without seeking clear written permission of individuals when the material will be used for marketing or promotional purposes.*

Guidance:

The main intention and use of photo's used by the club or utilized by Lacrosse Victoria is to promote the sport. With the purpose to allow player's to see themselves online in action to act as a reminder for past matches. The other uses that they could be utilized for is videos / slideshow presentations at junior or senior presentations; or picture displays to be permanently displayed on the clubroom walls.
